Press release: Presentation of the results of the study on milk production costs in Belgium

(Brussels, 04.03.2015) Today in Brussels, the MIG and the EMB presented to the cabinet of the Federal Minister responsible for agriculture the dairy farmers' situation and the results of the independent study on the costs of milk production in Belgium.

The study follows similar ones recognised by European bodies carried out in...

D19-20 Alliance blockades EU summit in Brussels

On 19 December, the D19-20 Alliance has mobilised forces with tractors and about 1,000 demonstrators against austerity policy and specifically against the TTIP.

The Belgian alliance of citizens, farmers, trade unions and NGOs intended to blockade the meeting of heads of state and government in Brussels and give a clear...

Germany: Discounter cuts milk prices

The German discounter Aldi has cut the prices for fresh milk and UHT-milk by 10 cents per litre. Fresh milk and UHT milk with 1,5% fat are currently sold for 55 cents. The price for whole milk was equally reduced by 10 cents and is now sold for 59 cents. Aldi also cut the prices for milk products like curd, cream and condensed...

Dumping prices for milk – complaint against Austrian supermarket chain

Yesterday (30 October), the Austrian Farmers' Union filed a complaint against the supermarket chain „Zielpunkt" at the Austrian Federal Competition Authority for the current price dumping of UHT-milk. According to the current flyer, Zielpunkt sells UHT-milk for 54 cents on two days this week.

The Austrian Farmers' Union had...
