### **Press release: Presentation of the results of the study on milk production costs in Belgium**

(Brussels, 04.03.2015) Today in Brussels, the MIG and the EMB presented to the cabinet of the Federal Minister responsible for agriculture the dairy farmers' situation and the results of the independent study on the costs of milk production in Belgium.

The study follows similar ones recognised by European bodies carried out in...

### **Farm Minister Council in Brussels**

On January 26, farm ministers discussed market impact of the Russian embargo. Farm Commissioner Hogan reiterates that the EU's dairy sector "is not in the state of a crisis". Hogan expressed his openness to examine how the Milk Market Observatory could be strengthened further. For the German delegation, the measures taken by...
