EMB meets for general assembly in Hamburg

On 26 and 27 November 2013, the EMB held its second Members' Meeting this year in the Hanseatic city of Hamburg in Germany. At the meeting the European member organisations deliberated on how the political work was to proceed further following the reform of the EU Common Market Organisation and the big dairy farmers' conference...

Press release: What does the milk market need after 2015?

Today's EU conference needs to provide a solid basis to shape the future of the EU dairy market!

(Brussels, 24th September 2013) The milk market is far from being prepared for the situation after 2015. By putting forward new realistic proposals, the conference organised by the European Commission in Brussels today could be an...
