Press invitation: End of the quotas 2015 – What lies in store for the milk producers?

Dear Media Representatives,

2015 will decide the fate of European dairy farmers. With the abolition of the milk quota at the end of March all the indications are that production will rise. Supply already exceeds demand, and milk prices are in free fall throughout Europe. If the milk quotas turn out to be the last limit...

D19-20 Alliance blockades EU summit in Brussels

On 19 December, the D19-20 Alliance has mobilised forces with tractors and about 1,000 demonstrators against austerity policy and specifically against the TTIP.

The Belgian alliance of citizens, farmers, trade unions and NGOs intended to blockade the meeting of heads of state and government in Brussels and give a clear...
