7th International Fair Milk Conference in Luxembourg

Invitation to the conference on 2 July 2021 in Ettelbruck, Luxembourg

Fairkoperativ and the European Milk Board look forward to welcoming you to the 7th International Fair Milk Conference, which will take place on 2 July 2021 in Ettelbruck, Luxembourg.

With the "Fair Milk" brand, milk producers have taken responsibility and their future into their own hands. By buying "Fair Milk", milk producers receive a cost-covering price. The "Fair Milk" initiative now exists in several European countries, but also in Burkina Faso.

At the conference you will have the opportunity to get to know the different projects and the wide range of products as well as to discuss with "Fair Milk" producers.

The highlight of the conference will be the "Golden Faironika" award ceremony. The award is presented to politicians, farmers and civil society stakeholders to recognise outstanding efforts for a sustainable milk production.

For organisational reasons, we kindly ask you to confirm your attendance by sending an e-mail to [office\[at\]europeanmilkboard.org](mailto:office[at]europeanmilkboard.org) or [danielle.warmerdam\[at\]fairmellech.lu](mailto:danielle.warmerdam[at]fairmellech.lu). Conference languages are German and French.

We look forward to welcoming you at the conference and to presenting these exciting projects.
