Germany: Chancellor Angela Merkel guarantees: Milk is matter for the Chancellory

(Berlin, 05/29/09) In today's talks with six lady dairy farmers among others the chancellor Angela Merkel guaranteed, that the milk issue will become matter for the Chancellory. The ongoing protests of the BDM dairy farmers and especially of the lady dairy farmers in front of the Chancellory seem to have driven Merkel to recognize how urgent a solution in this sector would be.
