24.04.2023

### Newsletter Fair Milk edition online!

As many of you know, the European Milk Board (EMB) was created more than fifteen years ago to denounce the end of milk quotas in Europe. In parallel, the EMB proposed other solutions to maintain a regulatory system of some kind that is necessary in order to avoid overproduction and to ensure decent prices (see proposals of our...

## **Newsletter January/February 2023 online!**

Although we're already a good month into the new year, I would still like to wish you all the very best and good health for 2023. I would also like to take this opportunity to thank all EMB members who supported my election as President of the European Milk Board at the General Assembly in December 2022. I will do my utmost to...
